

Rebuilding Together PDX Sponsorship Opportunities

A HOME MEANS MANY THINGS:

MEMORIES

LOVE

CONNECTION

SAFETY

IT'S AS MUCH OF A FEELING AS A PLACE.

**FOR THOUSANDS OF OUR PORTLAND NEIGHBORS
THAT FEELING IS:**

UNCERTAINTY

SICKNESS

ISOLATION

HOPELESSNESS

There is an urgent challenge facing our community:
More than 30,000 deserving neighbors—seniors, veterans, people with disabilities, families with children, victims of disaster — need help to:

REPAIR THEIR HOMES

REVITALIZE THEIR COMMUNITIES

REBUILD THEIR LIVES

Many local home repair organizations are operating with 2-year waiting lists.

About Rebuilding Together PDX

For 32 years our organization has provided home repairs to low-income individuals and families who are financially and physically unable to make repairs by themselves. In addition, we created the Safe and Health Home Repair Program for urgent safety-related repairs, and community revitalization projects. Our cumulative results include:

- 1,800 homes repaired
- 35,000 volunteers
- 120 community revitalization projects
- \$26 MM in community value

Volunteer Engagement

Volunteerism is at the core of Rebuilding Together's work. Our volunteers, also called [Re]builders, dedicate over 750,000 hours of service on project sites nationwide every year to make a positive impact in the lives of their neighbors in need. Your employees are invited to join us and make a difference.
